- Material: Brass

Wall Angle Valve

CO-AP009

- Working pressure: 10bar/150psi
- Max temperature: 90°C/194°F
- Available size: 3/4", 5/8", 1/2", 3/8", 1/4"
- Material: Brass

A close-up photograph of a stainless steel water hose and its fittings. The hose is coiled, and a large, metallic, hexagonal fitting is prominently featured in the foreground, showing its internal threads and a brass-colored center. The lighting highlights the metallic textures and reflections of the components.

Water Hose

Experience flexibility and durability with our Water Hose Collection. Designed for high performance, our hoses ensure smooth water flow, leak resistance, and long-lasting reliability, making them perfect for household and industrial use.
